**Subject:** Water Treatment Plant General Permit discussion

Hi Nicole- We would be ready to discuss the permit with you and your folks on Friday if that works for you all. We are available from 11-noon and 2-3pm. If one of those times works, please let us know and George can send out an invite with the call-in information to the group.

Otherwise, let us know what looks good on your calendar next week and we can get something scheduled then (although I already know that Wednesday does not work for me since I will be on work travel).

Thanks much.

Candice
